## About the Team

Our dedicated Auto Electrical Specialist team has many years experience, both in the field and in the industry. The Covs Auto Electrical Specialist team consists of qualified trades people, technical product specialists and people with more than 40 years of specialist Auto Electrical industry experience. Although there is many years experience within the team, they are constantly updated and trained on all the latest industry products, practices, developments and trends, it is our aim to be the source for all your Auto Electrical information. This team knows what you are talking about, they speak the same language as you which means you don't need to waste time explaining, you can just order and get back to work.
